

## СПИСЪК НА НАУЧНИТЕ ПУБЛИКАЦИИ

на

Доц. д-р Владислав Владимиров Костов, секция "Експериментална минералогия и кристалография" на Институт по Минералогия и Кристалография – БАН за участие в конкурса за заемане на академична длъжност „професор“, професионално направление 4.4. Науки за земята (Експериментална минералогия и кристалография), за нуждите на направление „Експериментална минералогия и кристалография“

(не повтаря публикациите, използвани за покриване на изискванията за придобиване на образователната и научна степен „доктор“, и за заемане на академичната длъжност „доцент“, представени в НАЦИД -

<https://ras.nacid.bg/dissertation-preview/23760> )

(използвано име в публикациите **Владислав Костов, Владислав Костов-Китин, Vladislav Kostov, Vladislav Kostov-Kytin**)

Кандидатът участва в конкурса с 32 статии и доклади от конференции, от които две обзорни работи (№ 15; № 30), 22 статии в списания с импакт фактор, от които 11 в международни списания и 11 в национални списания;

10 статии с Q1 (SJR) (една оглавява ранглиста); 5 статии с Q2 (SJR); 7 статии с Q4;

1 статия като самостоятелен автор; 6 - с двама автори; 6 - с трима автори и останалите с повече автори; първи автор или автор за кореспонденция в 18 статии
